## STACKING STUD

THREAD SIZE	A Ø	B	C	D
1/4-20 UNC	1/2	3/4	3/4	1.0
5/16-18 UNC	9/16			
3/8-16 UNC	5/8			

These fasteners are typically used to extend the length of existing studs. They can be “stacked”, thereby effectively increasing the length of the studs in 1.0” increments.

THREAD SIZE	MATERIAL	PART NUMBER
1/4-20 UNC	MILD STEEL	4501-0801
	ALUMINUM	4503-0801
	STAINLESS STEEL	4502-0801
5/16-18 UNC	MILD STEEL	4501-0901
	ALUMINUM	4503-0901
	STAINLESS STEEL	4502-0901
3/8-16 UNC	MILD STEEL	4501-1001
	ALUMINUM	4503-1001
	STAINLESS STEEL	4502-1001

Part no. example....3/8-16 ALUMINUM STACKING STUD....4503-1001

Non-standard diameters and/or lengths are available by special order....minimum order quantities may apply.
