### Pinto Charge Battery Operated CD Stud Welding System

- Battery Powered or 110V
- Great for Insulation Contractors
- Weighs only 21lbs
- Easy to use
- Welds 14ga, 12ga, 10ga Insulation Nails and Cupped Head Pins
- Up to 1500 welds on a single charge
- Capable of welding 20 studs per minute

One of the new Cutlass range of light, portable, powerful and reliable stud welding systems. Built specifically for the insulation contractor as a small, lightweight/portable and robust pin welding system. **BE FREE FROM EXTENSION CORDS AND POWER SOURCE LIMITATIONS!!**

Standard features include:

- ◆ Pinto controller capable of welding 14ga 12ga. and 10ga. insulation pins.
- ◆ PKM-1B weld gun and cable set.
- ◆ Twin ground with vice grip style clamps
- ◆ Accessories for 12ga. and 10ga. insulation pins.
- ◆ Cooling fan
- ◆ Easy to read LCD Screen.
- ◆ Single knob operation.
- ◆ Lightweight and portable.
- ◆ Operation, parts and maintenance manual.

*....As you can see the PINTO CHARGE comes to you ready to perform, complete with the accessories for immediate welding...just charge(fully charged in only 3 hours) and away you go!*

## Pinto Charge Battery Operated CD Stud Welding System

### TECHNICAL DATA

#### CONTROLLER...

SIZE:	11" H x 8" W x 12" L
WEIGHT:	21 lbs. (9.7 kgs.)
POWER SUPPLY:	120/240 Volt, 50/60 Hz.
BATTERY:	Lithium, Battery life appx 1,000 charging cycles
STUD CAPACITY:	14ga, 12ga. and 10ga.
WELD RATE:	Up to 20 studs/min.
WELD MODE:	Contact
CHARGE RANGE:	50V to 100 V DC

WELD/CONTROL CABLE:	21 ft. (6.5 mtrs.)
GROUND CABLE:	16 ft. (5 mtrs.)
GUN & CABLE WEIGHT:	14 lbs. (6 kgs.)

TOTAL SHIPPING WEIGHT: 44 lbs. (20 kgs.)

#### ORDERING INFORMATION

Pinto Charge Unit, Charging Cord, PKM-1-B with B Collets for 12ga and 10ga Nails, Collet Body Protector, Single Leg and Footpiece, Magnetic Cup Head Pin Chuck, Twin Ground, Allen Keys, and Operating Manual

110V Part No. CSS-2PK  
240V Part No. CSS-2PK2

Cutlass Fasteners have been making Capacitor Discharge (CD) stud welding systems for over 30 years. We strive to produce the best CD welders, and with our commitment to continuous research and development in the stud welding field we are now able to offer our most versatile line of CD welders to date. Our Other Cutlass CD welders include the CLASSIC, CLASSIC+, SIGNUS, CLIPPER+, PINTO, and PINTO CHIP.

The Cutlass PINTO CHARGE was designed specifically for the insulation fixing industry. The machine has all the basic features of the Cutlass range of CD stud welding systems, but with increased portability freedom from the constraints of a powersource, minimal weight and simplicity built in.

PKM-1b weld gun is a light but strong, ergonomically designed weld gun....capable of withstanding the rigors of continuous on-site use. The gun accepts either the industry standard "B" style collets, or with an optional adaptor, Insert collets or Standard Adjustable weld chucks.

### STUD WELDING is our BUSINESS.

We manufacture and stock over **8 million** weld studs and distribute a complete range of CAPACITOR DISCHARGE, SHORT CYCLE and DRAWN ARC stud welding products.

For additional information call Cutlass toll free on **1-800-536-6333**

Cutlass reserve the right to improve designs and/or change technical specifications without prior notice.
